BAND INSTRUMENT RENTAL PROGRAM

Why Rent From HMC?

RENT BY SEMESTER

Our instruments are available for rent by the school term. (Fall Term: Sept.–Jan., Spring Term: Feb.–June, Summer Term: July– Aug.) Just pay as you go. **Extra 10% discount when rented for the entire school year.**

ONLY MAJOR BRANDS

All of our instruments are major brand names and are cleaned, sterilized and checked for proper playing condition before going out.

CONVENIENT LOCATION

We are a local business primarily focused on serving the schools in our immediate area.

CONTINUED SUPPORT

And when you are ready to own your own instrument, we have several payment options available including a Rent-to-Own plan which makes it easier than ever before. All instruments are discounted anywhere from 40–50% **AND**, our Lifetime Repurchase Agreement, also makes it less of a risk to those who are still unsure of their child's interest.

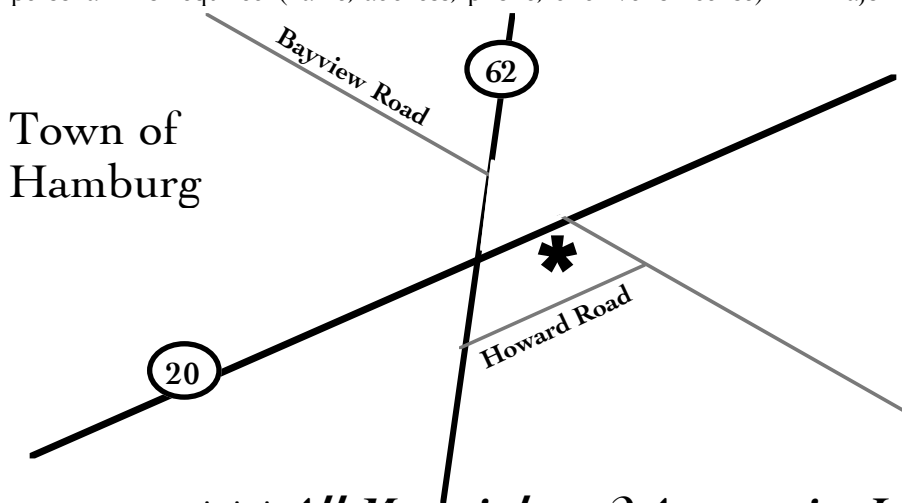

QUICK REPAIR OR EXCHANGE

Musical instruments do need service from time to time. In most cases we can repair or exchange the instrument while you wait. This can be handled in one of two ways:

- 1) Bring the instrument to the store and we will either repair it on the spot or have it for you the next day. In the event that we would need longer than one day, we will give you a loaner or simply exchange it.
- 2) Leave the instrument with your music instructor, call us and we will pick it up at the school that day and return it the next day or exchange it.

SIMPLICITY ... As easy as 1-2-3 !

- 1) Call Hamburg Music Center to reserve an instrument. Tell us your name, phone, school and instrument needed. No deposit required.
 - 2) Stop in any time up to one week prior to first lesson to sign contract, pay for terms desired and pick up books needed.
 - 3) The instrument will be put aside and delivered to your school in time for your first lesson.
- ** Rental Contracts are short, simple to read and easy to understand. No ambiguous terms, no small print, very little personal info required (name, address, phone, & driver's license). All major credit cards accepted.
